In order to involve youth:	My Agency Does This	We do not have the resources to do this	We would like to do this but need more information/ assistance
We know where to find youth and how to actively recruit members for a YAC or other leadership roles.			
We have a place that is convenient and accessible for youth to meet.			
We have time to meet that is conducive to the schedules of youth members (i.e. after school/weekends)			
We have the ability to provide transportation for youth members, or reimburse their ride for mileage expenses.			
We have funds available to compensate youth members for their time and participation.			
We are able to take the time to teach and train youth of their roles and responsibilities within our program, and how to fulfill them.
