

# Tips on Managing Flexible Groups

## Re-teaching group

Plan for differences

Advanced learners

Allocate teacher time based on a group's need for direct instruction and teacher

Planning activities for other groups who need only minimal direction

Collaboratively

Smaller teams of four or five

Procedures for what to do when students are finished

## CHECKLIST OF PROCEDURES OR STEPS

FURTHER INSTRUCTION

Extension or enrichment lesson

Managing multiple learning tasks si-

OPTION OF WORKING INDEPENDENTLY OR CHOOSING A PARTNER

Providing opportunities for all students to share

Set up clear behavior guidelines

Provide checklists or rubrics to convey your

Very clear expectations about what to do and when to do it.
