

Small Group Work Plan

Please answer the following questions to complete your work...

1. What is left for us to look at in order to bring our analysis to closure by 12:00 today?
2. How do we prioritize our work?
3. What can't we accomplish during this time period that needs to be addressed and therefore becomes a recommendation for the plan?
4. What do we need to do to be successful?

This afternoon your group needs to be ready to identify a needs statement and strategy recommendations in the three following areas:

Education, Employment, and Interagency Collaboration to keep youth engaged in school, work, and the community.
